## Quantimetrix is celebrating 50 years.

Redondo Beach, CA – Quantimetrix was born in the imagination of one man who believed science should be used to help people live healthier lives.

Dr. Robert Ban's vision, tenacity, and love of science has always been our north star.

We take great pride in our reputation and in providing our customers and OEM partners with the high quality products and services they've relied on for 50 years.

As we commemorate this golden milestone, we'd like to thank you for your trust and loyalty these many years. We sincerely appreciate your continued support.

### About Quantimetrix

Quantimetrix designs, develops, and manufactures laboratory quality products at our headquarters in Redondo Beach, California. We are leaders in the field of liquid-stable quality control products, having pioneered these innovations more than 40 years ago. Our world-class portfolio improves the efficiency and reliability of laboratory testing and patient care.
