## News Release

For Immediate Release

February 2024

# Quantimetrix is switching to carbon-neutral eIFUs.

Redondo Beach, CA – Quantimetrix is taking a global view of sustainability. We're focused on our business creating a positive impact for people and the planet. Our carbon-neutral efforts are part of an interconnected system addressing climate change, restoring natural systems.

This year Quantimetrix is switching to electronic Instructions For Use (eIFU) product inserts. Actions like this will reinforce and create change that's good for everyone.

## About Quantimetrix

Quantimetrix designs, develops, and manufactures laboratory quality products at our headquarters in Redondo Beach, California. We are leaders in the field of liquid-stable quality control products, having pioneered these innovations more than 40 years ago. Our world-class portfolio improves the efficiency and reliability of laboratory testing and patient care.
